

Jung Hyun Sohn

Student Programmer

EXPERIENCE

ME Onsite Inc.

Calgary, Canada
Nov 2018 - Present

Software Developer Intern

Utilized software media filters to create a replay program that captures live feeds concurrently, records them with audio and streams it back to the user.

Navigator

Worked independently as a personable technical support representative Supported over a hundred patrons daily in both hardware and software issues in a fast-paced environment

Manager

Determined inventory needs, purchasing and logistics of merchandise
Stocked shelves, cases, and fridges on a timely basis
Responsible for payroll, payments to vendors and provided accounting information

Taylor Family Digital Library

Calgary, Canada
Nov 2018 - Present

Edam General Store

Edam, Canada
Jun 2014 - Aug 2018

EDUCATION

University of Calgary

Calgary, Canada

BS, Computer Science

Software Engineering
Sep 2016 - Apr 2022 (Expected)

PROJECTS

lumenary.

May 2019 - Jun 2019

Utilized a User Centered Design to design a prototype of an app for patients suffering from Alzheimer's Disease. The all-in-one app prototype was developed through 4 user interviews, 3 user testers and a team of heuristic evaluators.

Used Java to design a library management system tackling on the daily management tasks of a library. Worked in a team of 6 to implement the project through Agile methodology.

Utilized Java in a team of 5 to design a game from scratch. Designed an intuitive main screen, while creating well documented code and using white box testing to ensure proper functionality for each method.

Library Management System

Jan 2019 - Apr 2019

TROM

Jan 2017 - Apr 2017

SKILLS

Analysis and Design of
Efficient Algorithms
Procedural Programming
Object-Oriented Programming
Agile Methodology
Prototyping

TOOLS

Software Development Kits

PyCharm
Eclipse
Visual Studio
Git Command Shell

Programming

Python
Java
C++ / C
HTML / CSS / JavaScript

Prototyping

Adobe XD
Balsamiq

INTERESTS

Lifting Weights
Movies
Cooking Korean cuisine
Hiking
Board Games
Sudoku
Korean BBQ
